

Hello

Dear neighbour

I believe my dog(s) may be disturbing some neighbours. If so, I'm trying to understand what is causing these behaviours to help me manage them. I would like your support by answering the below questions.

Is my dog's excessive barking causing you concern?

Yes       No

---

What noises do you hear my dog making?

barking     howling     crying/whining     growling

---

This mainly occurs:

nights     weekdays     weekends     when you're not home
